## 4. About Modern Metal Works LLC

---

### Company Overview

Established on 1 June 2014, Modern Metal Works LLC is one of the fastest-growing Riyada (SME) steel workshops in the Sultanate of Oman. Specializing in Design, Drafting, Manufacturing and Erection of turnkey projects, MMW has over 12 years of proven excellence in the Sultanate.

Our twin-unit facility in Misfah (near Oman Cement Factory, Muscat) is equipped with modern industrial-grade machinery to carry out the most complex fabrication works. MMW has executed prestigious projects including the OQGN All regions. PDO major sites, Oman Across Ages Museum, Duqm Refinery, Sultan Haitham City, Ministry of Defence, Royal Court Affairs and many more.

### Vision

To be among the Top 5 steel construction companies in the Sultanate of Oman – efficient, reliable and committed to ICV contribution.

### Mission

To offer reliable steel construction solutions with technologically superior modules, achieving quality economically and focusing on long-term partnerships.

### Quality Policy – ISO 9001:2015

MMW holds ISO 9001:2015 certification for the Fabrication and Assembly of Steel Structures, Non-Pressure Vessels including Welding and Painting (IAF Code: 17). Certificate No. 220324019634 – valid until 21 March 2027.

### Health, Safety & Environmental (HSE) Policy

***"Target Zero: Protecting Our People and the Environment"***

At MMW, we believe that no job is so important that it cannot be done safely. Our policy is built on Zero Harm – zero injuries to personnel and zero damage to the environment.

### HSE Commitments:

- Preventative Culture: Mandatory Job Safety Analysis (JSA) and Toolbox Talks before every task
- Compliance: Strict adherence to Oman's environmental laws and client requirements (PDO, OQGN, MOD)
- Competency: All technicians trained in LOTO, Confined Space Entry and Working at Heights
- Stop Work Authority: Every employee has the right and obligation to stop any unsafe task
- Continuous Improvement: Regular HSE audits and annual reviews

## **MMW HSE Golden Rules – Ten Non-Negotiable Rules:**

- 1. Stop Work Authority – Any employee may stop any unsafe task without consequence
- 2. Full PPE Compliance – Helmet, High-Vis Vest, Safety Shoes and Eye Protection mandatory
- 3. Valid Work Permits – Hot Work and Confined Space require signed Permit to Work (PTW)
- 4. Machine Guarding – Never bypass safety guards on any fabrication machinery
- 5. Gas Cylinder Safety – Upright storage, secured with chains, Flashback Arrestors fitted
- 6. LOTO Protocol – Lockout-Tagout before all electrical maintenance and repairs
- 7. Fall Protection – Certified harnesses and 100% tie-off when working above 1.8m
